These are final measurements. You will need to add 1/2" when cutting for 1/4" seams.

Sew blocks into rows. Then sew the rows together in the order shown above.

Cut two black 48 1/2" sashing strips and sew them to the top and bottom of your quilt top.

Cut two sashing strips 51 1/2" long and attach to the remaining opposite sides.

Cut four 51 1/2" border strips. Sew two border strips to opposite sides.

Sew corner blocks to the ends of the remaining border, as shown, and sew them to opposite sides. After quilting, bind with black fabric.
