

SIMPLE SILHOUETTES

LENGTH- One Day

LEVEL- Beginning to intermediate

Sewing machine needed

*This is a great class for quilt stores which carry an abundance of Sassaman fabric and the Simple Silhouette patterns

WORKSHOP DESCRIPTION

I have created a series of silhouette designs to be used in combination with my FreeSpirit fabrics. This is a good class for beginning machine appliquéers or quilters who want to make an easy, but dramatic small wall quilt for their home or as a gift. Each student will pick a central motif (flower, butterfly, etc.), a favorite Sassaman fabric and a coordinating background to make an 18” quilt using Jane’s unique “bandage” appliqué technique. Once you grasp the system, you will feel comfortable to make more when you get home.

If the class is not held in a store, I will provide fabrics and patterns for purchase.
